

Hospitals Help the Greater Sacramento Area Thrive

Lifesaving, life-changing care isn't the only thing hospitals and health systems provide — they are also economic pillars in the community.

HOSPITALS GENERATE:

 **\$25.9 billion** in community-wide economic activity, including

 **55,788** jobs in the broader community

All while providing care for nearly
 **1.5 million** visits annually

 **\$7.7 billion** directly to hospital employees

 **51,170** jobs directly at hospitals
